MicroZone® Moisture Boost

Menu description: A deeply penetrating moisture surge treatment that lifts away dulling skin debris while softening lines for a revived, dewy fresh skin.

Benefits: rehydrates, quenches dry, thirsty skin and softens surface lines

Treatment time: 20 minutes

Cost: £20.00 - €25

1. Review the **MicroZone® Treatment Consultation Card** that your client has completed and ask any additional pertinent questions. *(1 minute)*
2. Apply **PreCleanse** to dry skin, emulsify with water and follow cleansing routine. Remove all traces of cleanser with a steam towel or warm disposable steam towel. **Option:** Use ultrasonic on exfoliation mode to accelerate skin resurfacing. *(2 minutes)*
3. Wipe the skin with 2 pumps of **Daily Resurfacer** to degrease and perform zone-specific **Face Mapping® skin analysis** looking for dry, flaky patches, fine lines and dehydrated skin. *(1 minute)*
4. Exfoliate by mixing ½ teaspoon of **Daily Microfoliant®** with 1 pump of **Exfoliant Accelerator 35**. *(4 minutes)*
5. Remove with a warm disposable steam towel or steam towel customised with **Replenishing Botanical Mixer**. *(1 minute)*
6. Apply **Colloidal Masque Base** customised with **Replenishing Botanical Mixer**. **Option:** Perform galvanic iontophoresis, ultrasonic on the penetration mode or feathering with microcurrent over masque. *(5 minutes)*
7. Remove with a warm disposable steam towel or a steam towel customised with **Replenishing Botanical Mixer**. *(1 minute)*
8. Spritz the face and neck with **Multi-Active Toner**. Dispense 4-6 drops of **Phyto Replenish Oil** in the palm of one hand. Press hands together to spread the product evenly and lightly press the oil onto the entire face and neck and then spread to hairline. Continue with the **Dewy Skin DIY** massage routine. *(4 minutes)*
9. Apply **Intensive Moisture Balance** or **Super Rich Repair** for very dry skin, mixed with **Solar Defense Booster SPF50**. **SkinPerfect Primer SPF30** can be applied as final step. *(1 minute)*

Optional: After every step, you can spritz the skin with **Multi-Active Toner** for extra hydration throughout the treatment.
