

# broad spectrum spf sunscreens

There's an ideal sunscreen for every occasion. Here's how to find yours!

## story highlights

- During the day, skin fights off damage-causing pollution and UV light
- At night, skin repairs daily damage and regenerates itself
- Choose products that work with skin's natural rhythms to achieve your healthiest skin

## sunscreen savvy

Need UV protection? No problem! Use this easy-to-follow guide to find the right sunscreen for any occasion.

### all skin conditions

#### prisma protect spf 30

Light-activated multitasking moisturizer provides UV defense while preventing future signs of sun damage.

### sensitive or dehydrated skin

#### super sensitive shield spf 30

Sheer physical sunscreen hydrates and helps minimize discomfort, burning and itching.

### hyperpigmentation

#### pure light spf 50

Medium-weight moisturizer shields from UV damage and helps brighten and even skin tone.

### all skin conditions

#### solar defense booster spf 50

Customizable sunscreen adds critical defense to your moisturizer or foundation.

### all skin conditions

#### total eye care spf 15

Eye area-safe smoothing SPF diffuses light to help conceal the appearance of dark circles.

### all skin conditions

#### protection 50 sport spf 50

Lightweight, water-resistant sunscreen provides lasting protection for face and body.

### oily or acne-prone

#### oil free matte spf 30

Sheer, breakout-fighting sunscreen absorbs excess oil for a shine-free finish.

### normal to prematurely-aging skin

#### dynamic skin recovery spf 50

Firming Broad Spectrum moisturizer formulated to help minimize the appearance of skin aging.
