dermal layering

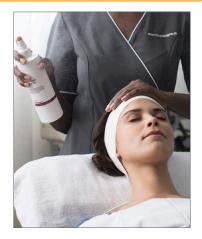

dermalogica[®] lermalogica.com/learnproskin

benefit: hydrates, seals and protects the skin to complete the treatment

📀 key steps

Apply prescribed products in order:

- 1. Spritz toner over face, neck and chest
- 2. Apply prescribed eye treatment
- 3. Apply prescribed moisturiser over face, neck and chest
- 4. Finish treatment with sunscreen Option: SkinPerfect Primer SPF30
- 5. Complete Skin Fitness Plan

Tip:

Use Ultrasonic blade on penetration mode to penetrate water-based moisturisers
